SIR

Re Cycle stand in front of the City Market.

I have the honor to state that the Municipality had maintained a free cycle stand for the benefit of the public visiting the market on business But it was noticed on several occasions that the public abused this amenity. Cyclists, whose work lay outside the jurisdiction of the market, took advantage of this free stand and began to leave the cycles in the stand for hours together, causing inconvenience to the bonafide public resorting to the market with cycles Further, as the number of cycles at the stand increased, the risk involved also increased The Municipal Council, therefore, resolved at their meeting held on 10-10-1936 (1) to levy a fee of 3 pies per cycle left at the stand and (2) to lease out the right to collect the fee at the stand It was also resolved that this should be tried till the end of June 1937 But, by the time the tenders could be called for and the right leased out, the official year 1936-37 came to a close The matter was, therefore, brought again before Council and they have resolved on 11-9-1937 to try it during 1937-38

The copies of the two resolutions referred to above are enclosed herein

I request the favour of your obtaining sanction of Government

SIR

D With reference to your letter No L 3846/M1 73 37 20 dated 29th October 1937 enquiring under what provisions of law the levy of fees at the City Market Bicycle Stand is proposed to be made etc ,

A I have the honor to invite kind reference to G O No L 6804-5/M1 22 26 74 dated 25th March 1927 sanctioning the resolution of the Municipal Council meeting dated 17-2-1927 for the levy of a fee of three pies on each bicycle that may be left in the stand

The levy of the fee which was so far back sanctioned, was in operation and it was discontinued as it would work as hardship to those visiting the market on bicycles As already stated in my letter - No A4-679/36-37 dated 30th September 1937, the Council have resolved again to levy the fee and action also has been taken to farm out the lease to a contractor subject to certain conditions

The withdrawal, at this stage, of the contract will hit the contractor hard Necessary rules, will, however, be framed for the levy and action taken under Section 65 of the Mysore City Municipalities Regulation to regularise the levy from the beginning of the next - official year

I request that, in these circumstances, sanction of Government may be kindly obtained to the resolution of the Municipal Council
